# PARTNER APPOINTMENT PROCESS

STANDARD OPERATING PROCEDURE FOR THE SALES TEAM

Use this procedure for every Super Stockist, Distributor and Depot. A partner is appointed only after scoring at least **70 / 100** on the scorecard and clearing KYC. Count a new partner towards your target only when its first order is fully paid into the Company's bank account and dispatched.

## Appointment steps

| # | Step | What to do |
|---|---|---|
| 1 | **Lead** | Log every enquiry (field lead, referral, website) as a Prospect in the Seera App the same day. |
| 2 | **Share & collect** | Share the eligibility criteria and the right Appointment Form (Super Stockist / Distributor / Depot); collect the filled form with all KYC documents. |
| 3 | **Verify KYC** | GSTIN active on the GST portal, PAN matches the firm, bank account verified by cancelled cheque / penny-drop. |
| 4 | **Site visit** | ASM visits the premises, takes geo-tagged photos in the Seera App and fills the scorecard below. |
| 5 | **Recommend & approve** | Recommendation by ASM / Sales Head. Approval: Sales Head for a Distributor; Founder for a Super Stockist or Depot. |
| 6 | **Sign** | Agreement on stamp paper and the Brand Standards Code signed; security deposit received in the Company's bank account. |
| 7 | **Appoint** | Letter of Appointment issued; partner code and Seera App login created. |
| 8 | **Hand over** | Price list, scheme circular, territory / beat map and targets handed over. |
| 9 | **Opening order** | Opening order placed; goods dispatched only after the full billing amount is received in the Company's bank account. |
| 10 | **Train & review** | Onboarding training (products, storage, pricing, App, claims, Brand Code); 30-day and 90-day review by the ASM. |
